699 screened
609 enrolled and randomized

405 randomized to DaxibotulinumtoxinA for Injection
406* received DaxibotulinumtoxinA for Injection
32 discontinuations due to:
  - Withdrawal of consent (17)
  - Loss to follow-up (7)
  - Investigator discretion (2)
  - Protocol deviation (1)
  - Other (5)
399 completed 4 weeks
373 completed study

204 randomized to placebo
203* received placebo
18 discontinuations due to:
  - Withdrawal of consent (9)
  - Loss to follow-up (7)
  - Investigator discretion (1)
  - Protocol deviation (1)
196 completed 4 weeks
186 completed study

* 1 participant randomized to placebo inadvertently received DaxibotulinumtoxinA for Injection
